Summary

Operations and process improvement professional with 5 years of experience across consulting and business operations, specialising in project coordination, process improvement, KPI reporting, and cross-functional collaboration. Experienced in improving processes, implementing digital tools, and coordinating concurrent projects.

Professional Experience

Siemens Healthineers, Germany

Working Student – Global Consulting Office Jul 2024 – Oct 2025

- ❖ Led the implementation of a department-wide migration from Excel to Monday.com for 100+ consultants, developing project-tracking workflows and an executive forecasting dashboard to improve KPI visibility and automate performance reporting; delivered training across 5 operational teams.
- ❖ Designed and implemented the consulting department's onboarding program, structured learning pathways, training materials, and delivery modules, reducing ramp time for new hires.
- ❖ Co-led planning and execution of the annual Global Consulting Days for 60+ consultants as part of a 5-person team, coordinating stakeholders across venue, scheduling, speaker sourcing, and on-site logistics.

Atheneum Partners, Germany

Working Student – Marketing Associate Jan 2023 – Aug 2023

Senior Research Consultant – Consulting Vertical Sep 2022 – Dec 2022

- ❖ Owned end-to-end client delivery across multiple industries, translating requirements into scoped project plans that grew one account by €300K+ in annual revenue.
- ❖ Managed a 2-person team of researchers and associates, tracking individual and team KPIs while coordinating workloads, priorities and deadlines across parallel projects.
- ❖ Conducted expert interviews and produced transcripts and executive summaries in English, Portuguese, and Russian, supporting consistent quality and turnaround across international markets.

Associate Research Consultant – Consulting Vertical Sep 2021 – Sep 2022

- ❖ Ran full-cycle sourcing and onboarding operations for industry experts across concurrent projects, contributing to €200K+ in annual account growth.
- ❖ Executed end-to-end client delivery across 10+ concurrent fast-turnaround projects daily.
